5 THINGS GREAT LEADERS DO BEFORE MAKING A DECISION

Better decisions.
Stronger impact.

01

THEY SLOW DOWN.

Urgency $\neq$ importance.

They create enough space
to **think clearly.**

02

THEY ASK BETTER QUESTIONS.

Don't jump
to answers.

Challenge the
assumptions.

03

THEY LISTEN BEFORE THEY LEAD.

The people closest
to the problem often
see what leaders miss.

04

THEY LOOK BEYOND TODAY.

What solves the problem now
could create a bigger one later.

Think one step further.

05

THEY KNOW WHAT MATTERS MOST.

Not every factor
deserves equal weight.

Prioritize the **impact.**

GREAT LEADERS DON'T JUST MAKE DECISIONS.

They make
better ones.

Pause.

Question.

Listen.

Think ahead.

Prioritize.
